CRIES FOR HELP.

YESTERDAY'S STARTLING ACCIDENT.

WOMEN NEARLY BURIED.

Partly Demolished House Collapses.

The loud crash of falling masonry, followed by piteous cries for help, accompanied a startling accident yesterday morning.

Pandemonium reigned at Cochrane Street (between Hollywood Road and Wellington Street) when a part of the first floor of house No. 50, which is the middle one of three tenements under demolition, collapsed, taking with it about a dozen women coolies.

A reporter of this paper, who was coming into town along Hollywood Road, had reached the junction at 7.45 in the morning when he heard the crash and subsequent screams for help.

He rushed to the spot, and found the women in a terrible plight, a number of them being buried in brick and sand, some bleeding from the mouth, and faces, and all sending piteous cries for help.

The "Mail" man pulled away a few who had fallen on top of the others who were partially buried. One or two scrambled out by their own efforts.

The crowd which had collected, and grew larger every minute with the blasts of police whistles across the way, looked on, turning a deaf ear to a request for assistance.

Presently two Chinese, volunteered to help, and three of the unfortunate women were dug out in five minutes. At this moment another Chinese, who spoke English, asked if he could help, and he was told to get assistance from the Central Police Station.

His prompt response soon brought the Central Fire Brigade staff and the police. Two out of the three remaining women were soon got out, and it took some little time to get the last one out, as her left leg had got firmly wedged in amongst the wreckage.

This woman appeared to be the one with the most injuries. She was put into a stretcher and conveyed to the ambulance which had been stationed at the Wellington Street junction. Another four of the rescued were able to walk with assistance, and they were also put in the ambulance and taken to hospital.

The material which buried the women had been heaped on the part of the building which collapsed after breaking the party walls in the rear of the building and the adjoining tenement. The unfortunate women dropped in a bunch almost in the centre, and were covered with the rubble.

It was assumed that none of the women had been completely buried, as a tally taken of the workers proved the number to be about correct.

It may be mentioned that, with the exception of two men, those at work in the rear part of the floor did not appear to be much concerned or disposed to assist in rescue work. One of the men quickly fetched an iron bar, which helped in releasing the leg

ARMED MEN AGAIN.

SATURDAY'S SECOND STARTLING OUTRAGE.

Last Saturday was apparently a lucky day for armed robbers, while one gang, operating in daylight on the Kowloon Peninsula, selected a shop in Shaokwan as their objective at night time. In the latter case the robbers secured only a few dollars but they gained prominence by exchanging shots with the police.

The robbers, five in number, entered a small shop kept by a woman on the Shaokwan Road. The woman was standing at the counter when the men entered at about nine o'clock, and there were also on the premises her parents and another woman. All the inmates were held up by the gang, three of whom carried revolvers. The drawer of

GIRL BANDIT CHIEF.

TWENTY-YEAR-OLD AMAZON.

Queen of the Gold Pagoda Pirates.

Reputed to be even more bloodthirsty than her husband, the chieftain of the gang, is a girl bandit leader, not more than twenty years old, who holds sway at the Gold Pagoda Hills, not far from Kowloon.

BODYGUARD OF WOMEN.

Her husband is known as "White Hat" Lin because of the grey hairs on his head. His appearance gives him the appearance of being a man of forty-five. With a well-equipped and expert organisation, he has remained unchallenged for some time in his well appointed stronghold.

According to the son of a native missionary who has been the gang's captive for some time and has just been released on payment of \$500 as ransom, the white-headed leader possesses both machine guns and light mountain artillery of modern pattern. His "navy" consists of four launches, probably stolen in the first instance, and subsequently converted into armed vessels.

While in captivity, the missionary's son found that the whole of the immediate countryside spoke in the most affectionate terms of the Gold Pagoda pirates. The latter had made it their business not only to refrain from bullying the natives but also to protect them from molestation from other sources whether banditry or soldiery. The captive was also loud in his praise of the treatment he received during his forced sojourn in the stronghold. The white haired man and the girl can rightly claim to be most hospitable of bandit chiefs.

It is not supposed that any expedition is to be sent against the gang, but there seems to be a coincidence in the arrival yesterday of H.M.S. "Tarantula," "Cicala" and "Robin."

ALASKA DOGS "RACE" THROUGH BLIZZARD.

They have written another epic in the Northlands, racing along a 200 mile snow-covered path in a temperature of forty degrees below zero, the fastest and most faithful dog teams in Alaska fought the blizzard to reach Nome, capital of Alaska, with 200 lbs. of antitoxin to combat the diphtheria epidemic raging there. The serum was sent to Nome by Dr. J. B. Bessom, who in 1920 made a dog team race 900 miles to Lethbridge, Alberta, to deliver antitoxin. The team which Alaska undertook the journey with the antitoxin. There was only one doctor in Nome at the time.

CHIC" OR "CHICK"?

CLAIM FOR PRICE OF A SUIT.

"Ask him what the material was," said Mr. Justice Gompertz in respect of an Indian tailor plaintiff in the Summary Court this morning.

After much vociferation the interpreter turned to his Worship and said, "he will have it was chick."

Mr. C. A. S. Russ, for the plaintiff, indicated that the man was probably trying to explain the quality and meant chick.

The claim was against Mr. A. J. Mandall for the price of a suit which it was claimed had been ordered, not paid for and not taken away. It was alleged that Mr. Mandall had suggested that he should take it away and pay for it later but that the plaintiffs (The Indian Tailoring Co.) would not let him. "They only knew him as a wandering sort of man," said Mr. Russ.

The defendant had offered to pay \$35 instead of the \$55 asked for which Mr. Russ characterized as ridiculous, going into the cost of the material and labour.

The defendant did not appear, neither did Mr. Brewer, who was to have represented him, and who was informed of the day on which it was fixed for hearing, said Mr. Russ.

Judgment was therefore given for the plaintiff.

HARBOUR RESCUE.

YACHTSMAN SAVED IN NICK OF TIME.

JUNK'S PLUCKY ACTION.

Saturday's sailing for the Commodore's Cup might have ended disastrously but for the assistance of a passing junk. As it was the terrific wind and heavy cross sea accounted for one of the boats and others sustained injuries more or less severe. The owner of the Vikings, Mr. L. G. Griffiths, the yacht that went down, and his boy, had very narrow escapes and it is thought that there would have been little hope of the motor boat sent out by the Club when news first arrived of the accident reaching them in time owing to the heavy seas running. Luckily a junk bore down on the same tack that the Viking had been on and the boat pluckily launched by the master was able to pick the two men up.

The scene of the accident was near Kowloon Point which the Viking was endeavouring to make close hauled. The cause of the mishap was the filling up of the boat by the heavy cross sea which struck her. First the cockpit filled and she became too water-logged to answer to the helm and before the gear could be got on deck she rapidly filled until the deck was awash. The two occupants, Mr. L. J. Griffiths and his boy, went overboard before the boat went down keel first.

In spite of this and other minor casualties two yachts finished the course, first being that of Mr. H. S. Rouse (Urula) who was given a rousing reception as he walked to the Club-house, soaked but happy. Second was Mr. R. M. Davison with Blue-nose.

It is hoped and expected that the Viking will be raised without difficulty if, as reported, she is in about ten fathoms.

GOING HOME.

FIRST BREAK FOR 23 YEARS.

Mr. Fred Fisher, the S.P.C.A.'s senior inspector, is to proceed on six months' home leave by the Katori Maru sailing on Wednesday. He will be accompanied by his daughter.

This will be the third time that Mr. Fisher will have returned to England after being out in Hongkong and the China Coast for forty-one years, or twenty-five of which were spent in the Government service. It is his first break in twenty-three years.

Inspector Fisher retired from the Sanitary Department a few years ago to undertake S. P. C. A. work.

MURDER CHARGE.

SELF-DEFENCE PLEA ADVANCED.

The murder charge against a Chinese who is alleged to have killed his cousin at the Tung Hing Foundry, Shamshuipo, last January was concluded at the Magistracy this morning, when the accused was committed to the Sessions for trial.

Mr. F. K. P. Almada, for the defence, claimed that the man acted in self-defence and had no intention of committing murder. He said that the evidence of the prosecution was all in favour of the accused, and under the circumstances, which he quoted as punishment would be incurred by a man who killed another in self-defence. In any case he said that the case only amounted to one of homicide.

In committing the man to the Sessions, Mr. Almada intimated that he would still have a fair trial.

FOR ANEURISM, CANCER ETC.

A new medicine for the cure of Aneurism, Cancer and Carbuncle by Injection and Internal use.

Most physicians and surgeons have expressed the opinion that Aneurism, Cancer and Carbuncle are incurable and many deaths have been caused by these dread diseases. Dr. T. Matsumura, M. B., Professor of the Japanese Imperial University has made a careful study of these diseases for several years and has at last discovered the use of "CARCINOLYSIN" for injection and internal use. A large number of Japanese patients have been cured by the use of this medicine and it is now becoming well known for its curative properties.

Foreigners have always died of these diseases owing to failure to find a remedy. Of late Dr. San Yui Sze is suffering from cancer of the liver which is a phase of one of the above-mentioned diseases. These sufferings from this disease will gradually develop fever, nervous pains, urinary troubles, bad appetite, dizziness and vomiting.

Victims of this disease are advised to immediately procure "CARCINOLYSIN" from our agents and by taking this internally, or by injection, the progress of the disease will be stopped and results quickly obtained.

Cancer glands will disappear and swollen ulcers be reduced to a minimum quickly and easily by the use of "CARCINOLYSIN."

Those having hereditary disease are advised to take "CARCINOLYSIN" in order to check its activities.

This medicine is the result of long experiment and has no injurious effect on those taking it.

ST. PAUL'S COLLEGE.

THE ANNUAL PRIZE GIVING.

THE GENERAL'S SPEECH.

Very attractive was the setting in which H.E. the General Officer Commanding, General C. C. Luard, C.B., C.M.G., presented the prizes to the boys of St. Paul's College on Saturday evening. The big quadrangle had been converted into an open air arena, with a temporary gallery at one end and a stage at the other. This arena was entirely filled with the relatives and friends of the pupils. The gallery and sides were thronged by the boys themselves. Upon the stage with the General were Mrs. Luard, the Bishop of Victoria (The Rt. Rev. C. R. Duppuy, D.D.) who presided, the Headmaster (the Rev. A. B. Stewart) and several of the masters. The stage was decorated with paintings done by themselves. The whole scene was lit by strings of coloured electric lights, and as already said, looked very attractive.

School Report.

The following report was then read by the Principal (the Rev. A. D. Stewart):— Sixteen years have passed away almost to the very day, since this school was opened and we have had another uneventful year of steady work.

Attendance.—The enrolment has again slightly increased. Slightly because lack of accommodation has compelled us to refuse many applicants. In the month of December alone over one hundred were refused. The enrolment on March 22 was 565 and the attendance was 538, both of which figures are the highest yet recorded. Several students have again distinguished themselves for regular attendance and special prizes are being awarded to Chan Ping-kam and Loh Ching for five years and four years' unbroken attendance respectively. Besides these Cheung Chi-on has not missed a day for three years and eight others for last year.

Studies.—The School during the past year had the benefit of Miss Bendelack's advice and teaching and greatly profited thereby. Special emphasis was laid on good written work and this was noticed by the Inspector of English Schools who reported that "writing was excellent; written work was neat and the books tidy."

In the Hongkong Locals the results were quite up to the average and were better in the number of distinctions gained, most noticeable being one in the Junior Local for English, a rare and coveted distinction and in the year the only one awarded in the whole examination. Chan Fung-kee is to be heartily congratulated on his success.

Staff.—The staff has created a record for itself in that, in a place where constant change is its portion, only one member of the regular staff left us during the year. In December Mrs. Dwyer left us to return to England after two years of valuable work on the staff, and her place taken by Mr. Li Chi-wai who came to us with the Hongkong University degree, having previously been both a student and teacher in this school. Time and space forbid mention of the work of individual members of the staff, all of whom have given of their best under the genial supervision of Mr. Evan Stewart, who was Acting Principal during my absence for the greater part of the year. We should like to thank the Rev. T. B. Powell for his help in teaching Scripture throughout the year and we also extend a hearty welcome to Mrs. Becher who has recently joined us and is already giving valuable help.

Sports.—Sports of all kinds were carried on as usual and many inter-group competitions organised and ably carried through by Messrs. Ho Ka-lau, U Wing-chean and Ng Wai-wei; but the outstanding event of the year was the winning, for the third time in succession, of the Shield presented by H. E. the Governor to the school winning most points in the Inter-Schools Sports. This year the Shield was won by the very narrow margin of only half a point.

Extension.—Nearly every year sees some addition to our school buildings and this year we have been able to carry through an extension of our College Chapel, to seat over four hundred with a physics laboratory underneath, both very needed additions to our rather cramped quarters.

Hostel.—The Hostel with accommodation for eighty masters and students has had another good year under its indefatigable House Master, Mr. Wong Shui-pon, and the health of the students has been exceptionally good.

Other activities.—Other activities have been carried on as usual. The Scouts have had another successful year under Scoutmaster Becher, and show unabated zeal and interest in their work.

The Free Day School started by the Hostel students six years ago, has been carried on by them through the past year with the same zeal and energy that has been shown from the first and eighty poor students have profited by their teaching and were made happy at Christmas time with an entertainment and tea.

The Free Day School at Causeway Bay has also been carried on with success for another year largely through the subscriptions of our students who found more than \$400 towards the salary of the teacher and the rent of the school premises. This school has now been carried on in this way for seven years.

The weekly visit to the Preaching Hall in the centre of the town has been regularly kept up by some of the staff and senior students while other work, in connection with our school Y.M.C.A., such as the Scripture Union meetings and Sunday School classes, has been well supported.

Looking back over the past year, we cannot feel that the time has been wasted, that merely so many lessons have been given and so much ink splashed on to paper, but rather that something real has been done in the work of character building which is what this school stands for more than anything else. Daily the pattern of a perfect life has been held up before our students, the ideal of an unselfish life and the joy of service, and it is sufficient reward as we constantly rejoice to see, the higher call making itself heard and heeded above the clamour of selfish aims and objects. When a young man turns his back upon what most call a life of prosperity and success and faces out, towards a life of service for others, then we feel that such a work as this is very worth while and all its drudgery is turned to pleasure. Thus we look forward to another year of happy work together.

Play the Game!

Introducing General Luard, the Bishop mentioned that His Excellency had been in the Colony only one month and this was the first prize giving he had attended here. They were proud to have His Excellency there, and proud to welcome Lady Luard too. Before coming to Hongkong His Excellency had spent much of his time in India, and one thing that would appeal to him in the report just read by Mr. Stewart was the success the school had achieved in athletics. General Luard was a member of the polo team which won the championship of all India.

After presenting the prizes, His Excellency the General said: Ladies and gentlemen, I shall not detain you long, for I am no orator at all, but I should like to say what great pleasure it gives me to be here this evening. As the Bishop has told you I have not been long in Hongkong. I still have many things to learn, and one of the things that I am afraid was unknown to me before I came here was the existence of St. Paul's College. I now see what an extraordinarily successful institution it is. We have just heard Mr. Stewart's report for the last year, and I think I can say it would take a lot of beating—(applause)—not only from the work point of view, but what interests me perhaps even more, from the athletic point of view. You seem to work in your games with your studies, which is what we want. (Applause). A great thing in this life is to keep fit and to keep fit you must take exercise. The best form of taking exercise in this country is in other countries is to play games. From what I have heard I gather that among your games is football. This is an excellent game which puts a boy on his mettle not only for himself but for his side also. That is a very great help to a boy in after life, as it enables him to realise that he has to play an unselfish part, which is one of the most important things. (Hear, hear). I must congratulate you particularly upon winning the athletic shield of the Governor for three years in succession. (Applause). It seems to me an extraordinarily good performance, though last year you had a very near thing for it. (Laughter and applause). There is one other thing in connection with the report which interested me very much. That relates to the boy scouts. I was very glad to meet the other day in my garden your troop of boy scouts under Mr. Becher, and I can say that they hold their own with any other troop.

ON THE BRINK?

Scarcely a Legislative Council
meeting is held without there
being one or more financial
minutes submitted, and authority
given to make payments for which
sanction is asked. The observer
may well wonder how it is done,
and, with the knowledge of
estimates of receipts and expendi-
ture duly submitted and accepted,
also wonder at a financial system
which produces money at will, as
does a conjurer rabbits from a
hat. He may add to his thoughts
that one which deals with possible
taxation, and question if the
Colon is not on the brink of the
taxation precipice. An examina-
tion of the figures contained in
that deadly interesting volume—

Draft

Estimates

of

Revenue and Expenditure

for the year

1925

brings the question prominently

in view. In Class I (Taxes) it

is estimated that the sum of

\$15,120.50 is likely to be received

during 1925. A very fine total,

which includes Assessed Taxes

\$3,000,000, Opium Monopoly

\$3,500,000, and Licenses

\$1,200,000, and Tobacco Duties

\$2,000,000. The Chinese Govern-

ment derives from these sources

the bulk of its revenue.

the same population that the
Colony now possesses, is likely to
continue—may even be increased.

Given either a slump in the prop-

erty market, a large exodus of

the population, or a return to

rents of a reasonable nature, it is

possible to predict that Assessed

Taxes are not likely to continue

at \$3,000,000 per annum. The

moral world is crying out against

the use of opium and bodies

deriving benefit from the sale of

the drug are being looked at

askance. The British and the

Colonial Government's views are

fairly well known, and it is safe

to assert that the sum of

\$3,500,000 at present set against

the words "Opium Monopoly" will

not always be the same. In

Class V—Land Sales—the sum

of \$1,000,000 is shown, as against

\$1,500,000 for 1924. The Govern-

ment is fairly confident that the

same revenue cannot be expected

from the sale of land as it has

received in the years which are

gone. There is no desire

to be alarmist in presenting these

figures and to suggest that the

question of considering a measure

of taxation does not seem far

remote. In the meantime

Financial Minutes are submitted,

and passed with an ease that

seems remarkable. The

death of Mr. A. B. Lowe is surely

being felt.

Wallop 'em.

It was Mr. Dooley who recom-

ended "Wallop the ladies" as a

safe subject to an Editor friend

should be in need of one. The

need of a subject, or the desire

to "wallop" anyone, least of all

ladies, is not a present trouble.

A correspondent has raised the

question of the attendance of

Chinese ladies at football

matches, and others have taken

up the cudgels pro and con. No

one questions the right of the

Chinese lady to attend football

matches, and there can be no

exception to her expressing her

feelings on such occasions, pro-

viding they do not incite to a

breach of the peace. If there are

undisputed facts there seems

nothing more to be said, for we

imagine there is nothing laid

down in the official laws of con-

duct. If any, which govern the

question of the behaviour of the

Chinese lady at football games.

If there is interest in the game as

is alleged, the reason for it is

not far to seek. Games are now

a very important part of ordinary

school and college life. There

is scarcely an annual report

which does not glorify in the

attendance of Chinese ladies at
football matches. They are
naturally pleased at the success
of their own people and doubtless
show it. They will do so until
it is borne in upon them that
true sportsmanship knows no
partisanship but accords praise
and blame with unerring equality.
When the general run of foreign
spectators rises to this sublime
height it will be time enough to
expect the Chinese spectator to
do the same. Until that happy
day arrives the least said is
the soonest mended. Ladies
at football matches, the better.

CORRESPONDENCE

GIRLS AND SOCCER

(To the Editor of the China Mail)

Sir,—If "Disappointed" has

ever attended a football match

outside of China he should know

that there are lady enthusiasts of

the game, so why should the

Chinese girls not follow the lead

of their Western sisters.

If he reads the article headed

"Chinese Tomboys" he will see

that the East is gradually adopt-

ing Western ideas, so why be dis-

appointed.

Open both eyes "disappointed."

Yours etc., AUSSIE.

Hongkong, March 7.

Sir,—A. B. Horrence's remarks

show that he is what Australians

call "one eyed."

Evidently he has resided here

for some time since he under-

stands what he calls "childish and

irrelevant prattle" but he cannot

see that the East is becoming

very Westernised.

If he opened both eyes he would

see that there are two sides to

an argument, and would give the

Chinese ladies time to understand

a game that has only recently been

introduced.

Yours, AUSSIE.

Hongkong, March 7.

MRS. PARTINGTON.

(To the Editor of the China Mail)

Sir,—In to-day's issue of your

paper, under the heading "Base

Arguments" you make reference

to the efforts of the lady to brush

away the encumbrance of the

Atlantic ocean from her front

door. This I take to be a refer-

ence to the famous Mrs. Partin-

ton of Sidmouth. In 1824 a heavy

storm swept the town of Sidmouth

which was then a little watering

place, favoured by royalty; and

Mrs. Partington started out to

brush away the angry liquid

elements from the town with the

aid of her broom. I mention this

in the interest of strict accuracy

and in behalf of any of Mrs.

Partington's relatives who, being

informed of your remark, might

not like the way it has been put.

Yours etc., IT AIN'T.

"FRENCH LEAVE"

CANTON DELIGHTED WITH

A. D. C. PLAY.

The Hongkong A. D. C. visited

Canton on Saturday and performed

"French Leave" to a crowded

audience at the Canton Club.

The play went with a swing

that was irresistible, created a

great impression and has given

Shamonee something to talk

about. All the artists repeated

their Hongkong success, and in

the cosy atmosphere of the Club

revelled in the amusing situations

and the witty dialogue, with which

the play abounds. Mrs. Dorothy

Holyoak added to her reputation

and confirms the general opinion

already expressed in Hongkong as

to her natural abilities. Praise

for the other members of the

cast was no less unanimous.

Canton, of Shamonee or both—

has not enjoyed itself so much as

it did on Saturday. Accompany-

ing the artists were the Hon. and

Mrs. P. H. Holyoak, Mr. and Mrs.

Cornell and Mr. W. Hannibal.

Hongkong will have some more

opportunities of seeing "French

Leave" and this will be on

Wednesday next in the Theatre

Royal when the net proceeds will

go to the Hongkong Benevolent

Society so manfully managed

by the ladies of the Colony. A

good play for a good cause de-

mands a good audience. The

China Mail cordially hopes this

will be the case. Booking is at

Anderson's.

CLUB v. KOWLOON

For this game in the Senior Shield Competition, the teams lined up as follows:
Club: Rodgers, Gerrard, McCubbin, Muir, Stewart, Lyon, Pile, Forsyth, Jones, Johnson and Keys.

Kowloon: Duncan, Wheeler, Reed, Turner, McKelvie, Pascoe, Wheeler Austin, McBride, Muir and Hayes.

Referee: Mr. Smith, R. A. Linesmen: Messrs. F. Smith and Austin.

Kowloon started to attack from the commencement, and Muir sent over from a nice pass from G. Wheeler. Soon after McBride and Hayes tried shots, that could not find their objective. Rodgers saved from Austin, and the Club then got away, but what looked like a promising movement was spoiled by Forsyth getting offside. Kowloon returned to the attack, and two corners were conceded them in rapid succession, but they failed to improve on them. At the other end Duncan was called upon to punch away from a job by Muir, with Forsyth and Jones in close attendance. With Kowloon pressing, Muir handled in the penalty area. McKelvie took the kick and Rodgers was deservedly applauded for bringing off a fine save. The ball going out to McCubbin, that player cleared to midfield. Soon after Rodgers, in saving from McBride, conceded a corner. The free kick was saved by the goal keeper, who was again forced to put over the line. Hayes sending behind from the free kick. The Club players paid a flying visit to the Kowloon end, but too much square passing was their downfall. Wheeler eventually punting into the field. Muir, securing, went away and beat Gerrard, but in cutting in kicked too hard, McCubbin nipping in and sending behind. From the corner kick the ball dodged about dangerously in the Club goal-mouth, but McKelvie eventually settled matters by sending over the bar. Kowloon returned to the attack and Rodgers had to save shots from McBride and Hayes. Stewart sent Pile away, but that player finished up by sending wide. Rodgers saved from Austin and at the other end Keys forced a corner off Wheeler that Turner cleared. With the ball in the Club half the whistle sounded for half time with the score sheet blank.

Play was open in the second half for a time, but eventually the Kowloon forwards got away and Rodgers was forced to put behind from G. Wheeler. Muir sent behind, and at the other end, Keys was rewarded with a corner from Pascoe that proved abortive. Gerrard sent behind from a nice corner from the right, but the free kick was not improved upon; and a dangerous movement by the Club forward line saw Forsyth through, but F. Wheeler, recovering, managed to keep him off the ball until it rolled out of play. McKelvie started the movement that resulted in Kowloon's first goal. He sent out to the left wing, and some nice short passing between that wing and the centre forward saw the latter finish up by beating Rodgers with a nice drive—a well-deserved goal.

From the centre kick Kowloon again took up the attack and within five minutes were two goals up. Hayes, receiving the ball, neatly tricked Gerrard and, going in, banged the ball past Rodgers who, if the truth be known, did not see it until it nestled in the net.

The Club came into the picture for a bit, but only on one occasion did they look dangerous. Reed fouled Johnson just outside the penalty area, and from the kick Duncan saved well from Forsyth. From now on to the end, the Kowloon forwards dominated the game but they failed to add to their score.

Result—Kowloon, 2; Club, 0.

Comment: Kowloon as a team played well together, but their forwards were weak in front of goal. All the forwards played well together, and mention must be made of G. Wheeler, who came into the team at the last minute in place of G. Duncan. He was slow, but neat, and if he had nothing else, he had the advantage of being a local player.

Club, who was a surprise in the first half, but they managed to keep the score down. Rodgers played well, and his goalkeeping was excellent. He saved well from Forsyth and from a corner from McBride. He also saved well from a corner from Hayes. He was a good goalkeeper, and his work was well done.

KOWLOON RESERVES v. CHINA "A"

This game in the Junior Division of the Shield competition, took place on the Club ground. A nasty cross wind was blowing that made the flight of the ball very deceptive, and the dust coming from the road way blinded both players and spectators alike.

The Chinese opened the attack, but a good movement by their forwards was spoiled by hands. Kowloon then took up the attack and they forced two corners in rapid succession, which were cleared, but the ball went out to Millard, who was at least 25 yards from the goal. This player took a first time shot that the goal-keeper had ample opportunity to save; instead, he let the ball go through his hands into the net.

Slipper was called upon to save from a shot by the Chinese, but he gave away a corner in saving a shot from the inside right. Just before half time Millard added to the score from a mistake by the Chinese left back. Half-time: Kowloon, 2; China "A", 0.

The second half was all China's game for, with the exception of a casual breakaway in which the Kowloon forwards seemed more anxious to get the ball away from their own goal than to score, the Chinese did all the attacking. This was where the Chinese wanted to have a few shooting forwards for Slipper in goal was injured and any good shot would have beaten him. As it was, the Chinese could only score once—this from a corner, the inside left meeting the ball from the kick and sending into the net.

Result—Kowloon, 2; China "A", 0.

League—Division II.

SURREYS v. RECREIO B.

Playing at Sookumpoo, the Surrey Reserves had an easy victory over the Recreio "B" team, scoring four times without reply. Three were scored in the first half.

Recreio "A" v. Drums.

Playing at Kowloon, on Saturday afternoon, the Recreio "A" continued their series of victories by defeating the Drums by three goals to one. The Recreio eleven had the game in their hands the whole way, and the Drums were fortunate that the score was not considerably higher against them. The strong wind that was blowing all afternoon made the playing difficult for both teams.

After a lot of midfield play, Recreio got going and a nice forward movement by Puertes and Gosano looked as if they were going to put Recreio in the lead. However, Bayard saved a hot one from Gosano and cleared. Recreio were not to be denied. Gosano scoring with a nice lob shot shortly after which gave Bayard no chance.

Recreio still kept up the pressure, Gosano putting in a hot one, but Bayard saved. The Drums then took possession of the play and looked dangerous. Parker sending in a nice shot, but Silva was safe and cleared. Xavier, however, fouled whilst clearing, Drums obtaining a penalty. Cooper took the shot and shot straight at the goal. Silva stopped the shot, but failed to save. Recreio then started in earnest. Puertes putting in a lovely shot, but Bayard saved. Rocha then got started and looked like scoring, but Bayard again saved. Gosano followed up with another shot at goal, but Parker headed a corner from which Recreio obtained no advantage. The Drums then took up the attack and forced a corner, but Puertes cleared.

Recreio pressed hard and, from a nice piece of play, Puertes passed to Gosano, who netted.

Recreio still continued the pressure. Brown putting in a good shot, but Bayard cleared. Half-time arrived with the Recreio eleven one goal in the lead.

CLUB "B" v. C.S.C.C.

A Service Victory.
Playing on the Hongkong Cricket Club's ground the Civil Service had an easy win over the Club's "B" eleven.

The Service batted first and ran up a score of 148. All but three had double figures. De Rome being highest with 28. Bowker took six wickets for 52.

On going in the Club put up a very feeble defence, only Mackenzie getting into double figures (12). Ling was deadly with the ball, taking eight wickets for 21 runs.

UNIVERSITY v. C.R.C.

The Chinese journeyed to Pokfulam and were decisively defeated by the home team.

The University batted first and completely mastered the bowling for a very short time. After scoring 29, Rumjahn was very unfortunate in being hit on his hip necessitating medical treatment. The Rev. E. K. Quick and Hett took the score to 22, when the innings was declared closed for the loss of only two wickets. Hett batted in his own free style and some hard hitting was seen. He did very well to reach his century. The Chinese could only compile 103. Ng Sze-kwong, scoring 45, Hett followed on his batting performance by taking five wickets for 29 runs.

EAST SURREYS v. NAVY.

Win for Sailors.

A very even game in First Division League cricket was witnessed on the Army ground, the Navy team returning with a win by three wickets.

The East Surreys declared their innings closed for 161 runs at the expense of six wickets. Those to reach double figures were Rowe (39 not out) who hit eight fours; Stripp (25), Chidson (22), Allfree (21), with a quartette of fours each; and Paton (15 not out). Lt. Com. Lockhart was responsible for some good fielding at mid-on, which kept down the score of the Army team.

The Navy followed and passed the score within a few minutes of the three for drawing of stumps. Capt. West was the mainstay of the side, for going first man in he was one but the last to get out, and the match had then just been won. He played a good game, hitting all round the wicket for 77 runs, which included nine fours. Hargreaves (22) and Osborne (26) also contributed toward the victory.

FRIENDLY GAMES.

KOWLOON v. H.S.C.C.

Local Loss By a Century.
In the friendly game, on the Kowloon ground, between the Kowloon Cricket Club and the Hongkong Cricket Club, the wicket played badly, and both Goodwin and Lyl kicked a lot.

Scoring was slow, and only Capt. Morris showed much enterprise. Kowloon tried no fewer than eight bowlers, but, apart from the opening pair, the stuff sent down was poor and the fielding was slack.

The Kowloon Club opened carefully and, with Lyl and Dand together, looked like making runs. However, a misunderstanding cost Dand his wicket, and after Petheram had batted for twenty minutes for eleven runs, another misunderstanding, practically cost the home side the match. Matthews kept a good length and deserved his average of five wickets for a triple under five runs.

NAVY v. UNIVERSITY.

A Surprise.

The second string of the University travelled to Happy Valley to play a friendly game with the Navy, and found a surprise awaiting them. The Navy scored almost three times the total of their innings at the expense of only five wickets.

All the Navy players reached double figures with the exception of one, Baker, being top scorer with 56, which included a dozen fours. The total for five wickets was 205.

Durnford (6 for 34), Baker (2 for 24), and Ingham (1 for 1) were responsible for the dismissal of the University side for 72 runs.

St. Paul's is five times men-
tioned in Shakespeare, always as
Paul's. Two of the references are
in Richard III., of which,
indeed, Paul is the ruling apostle.
(Gloucester swears three times "by
him; and even the King, in the last
extremity, swears "by the Apostle
Paul"). "This oily rascal," says
Prince Hal of Falstaff, "is as well
known as Paul's," and it was in
St. Paul's that Falstaff claimed to
have "bought" Bardolph. There is
a lament from the Porter's man in
"Henry VIII., directed with the
crowd: "We may as well, push
against Paul's as stir them," which
is in its way a testimonial to
stability.

In the dining room they appeared

close-fitting tunics—quite like the
garments in which old-fashioned
men sleep. Just beneath the tunic
you could see their black, satcen

around their ankles. They wore
white stockings and black slippers
with felt soles. After a few days
the white tunics gave place to blue
tunics. I asked the dining-room
steward the reason for the change,
and he smilingly replied: "Wash
Day."

HOW TO ENTER AND WIN.

Any person who desires may join the campaign by sending in his name to The Campaign Headquarters.

The Campaign will close on April 4th, 1925.

There will be no districts or territories. A member may secure subscriptions anywhere.

Immediately at the close of the Campaign, the votes will be counted and the member having the greatest number of votes will be awarded the first prize. The one having the second greatest number of votes will be given the second prize, and so on down the list until all prizes have been awarded.

Votes are given free and can be obtained by securing fully paid subscriptions to The China Mail or Sunday Herald.

Votes issued to one member cannot be transferred to another member.

No employee of this paper or member of the employees' family may become a member.

The Campaign is open to anyone anywhere. With the first subscription for \$36.00 you secure, you will be given the votes on the "First subscription coupon." You may use only one of these coupons during the entire campaign as no more will be counted for one member.

You will get the votes on all subscriptions as stated in the schedule published. This schedule of votes will never be changed. In addition to the regular votes, a special bonus of 300,000 votes will be given on every total of \$100.00 subscription money turned in during the third period ending March 14th, 1925. You will receive just as many extra ballots of 300,000 votes as you turn in totals of \$100.00 between now and March 14th. This is the greatest special credit offer of the Balance of the Campaign and you will never again get as many votes for subscriptions.

The rules are so easy and the plan so simple that anyone who desires may go in and get a big prize. With a little effort in the right direction, you will be surprised how easily the credits count up toward winning the grand prize. ENTER YOUR NAME TODAY.

EASY TO GET VOTES.

The Campaign is really just getting started and contestants will find it very easy to get votes. The first thing to do is to come to the Campaign Headquarters immediately and get receipt books and supplies which will be furnished free. Then begin calling on friends and acquaintances and ask for their votes. Still better let them hand the subscription money direct to you. When you turn in the money and subscriptions at the office, the votes will be given to you.

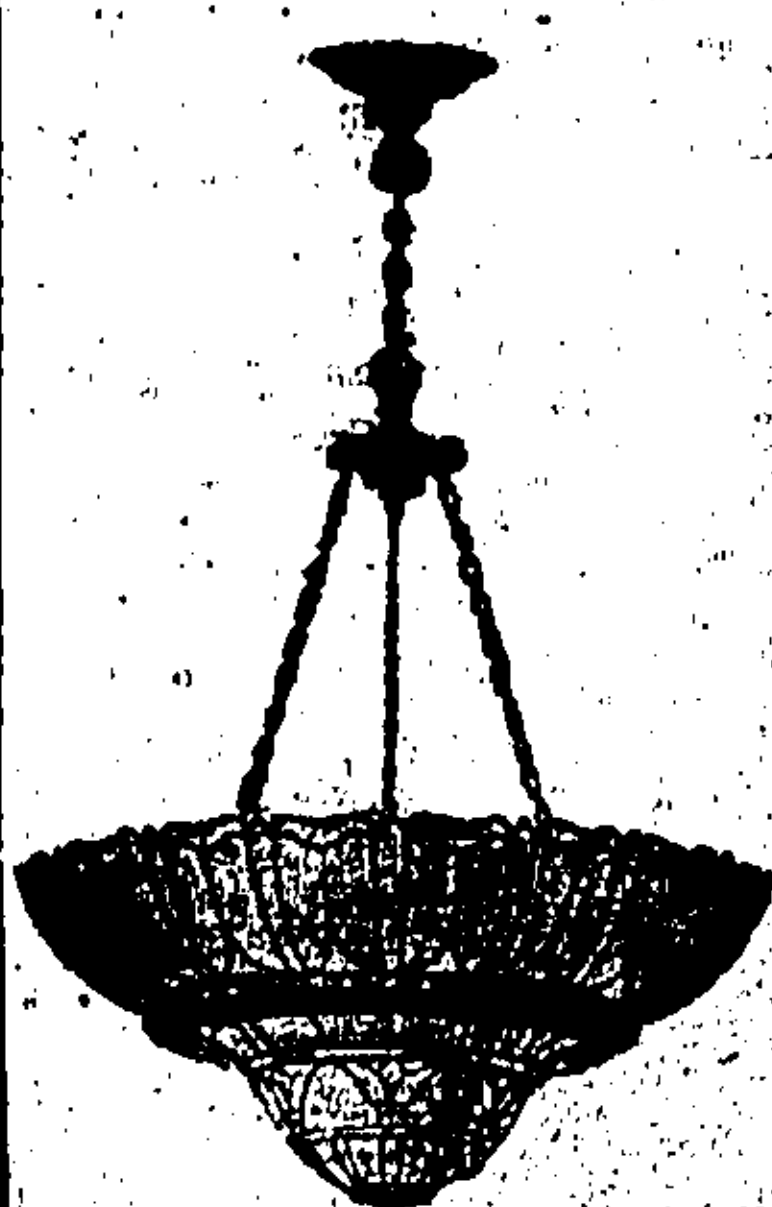

The value of subscription payments is shown on the opposite side of this page. Get the subscriptions in now as they count more now than they ever will again.

WORLD FLIGHT MEMORIAL

This model of the proposed memorial to the American Round-the-World Flyers has been completed and the actual erection of the monument awaits the decision of the State Legislature of Massachusetts on an act presented there authorizing its erection on the spot where the fliers landed after their globe-encircling tour. Patriarch Dying

PATRIARCH TIKHON

Patriarch Tikhon, head of the Russian Orthodox Church, is critically ill in a Moscow hospital, a victim, it is reported, of poisoning. His death is feared. According to an underground message from Russia, Archbishop Tikhon's condition is aggravated by his persecution and imprisonment by the Soviets, who only recently freed him from a death sentence.

Neither rest nor tarry until the yellow imperial ensign and the royal purple standard again float above the old Hohenzollern castle in Berlin was the battle cry proclaimed by the German junkers through their official organ, the Berliner Kreuzzeitung, on the occasion of the ex-Kaiser's sixty-sixth birthday. This is the latest photograph of Wilhelm and his wife, the Princess Hermine, snapped in their exile in Doorn, Holland.

DR. FREDERICK COOK & DR. MARION L. E. SULLIVAN
Bellevue, N.Y. & MAYFIELD, N.Y. CO. & DR. COOK'S

The United States Senate has unanimously disavowed the contested election case against U.S. Senator Earle Mayfield, of Texas, and he has been officially declared elected. Dr. Marion Lacey Sullivan, president of the University of Michigan, who nominated President Coolidge at the Republican National Convention in Cleveland, is critically ill at his home in Ann Arbor. The Federal Court of Appeals in New Orleans has affirmed the conviction of Dr. Frederick Cook, of North Pole fame, convicted in Fort Worth, of using the mails to defraud in oil stock deals. Washington reports that Colonel William J. Donovan, now U.S. Assistant Attorney-General, will be promoted to first assistant to the Attorney-General after Charles Beecher Warren assumes charge of the Department of Justice.

Largest Audience.

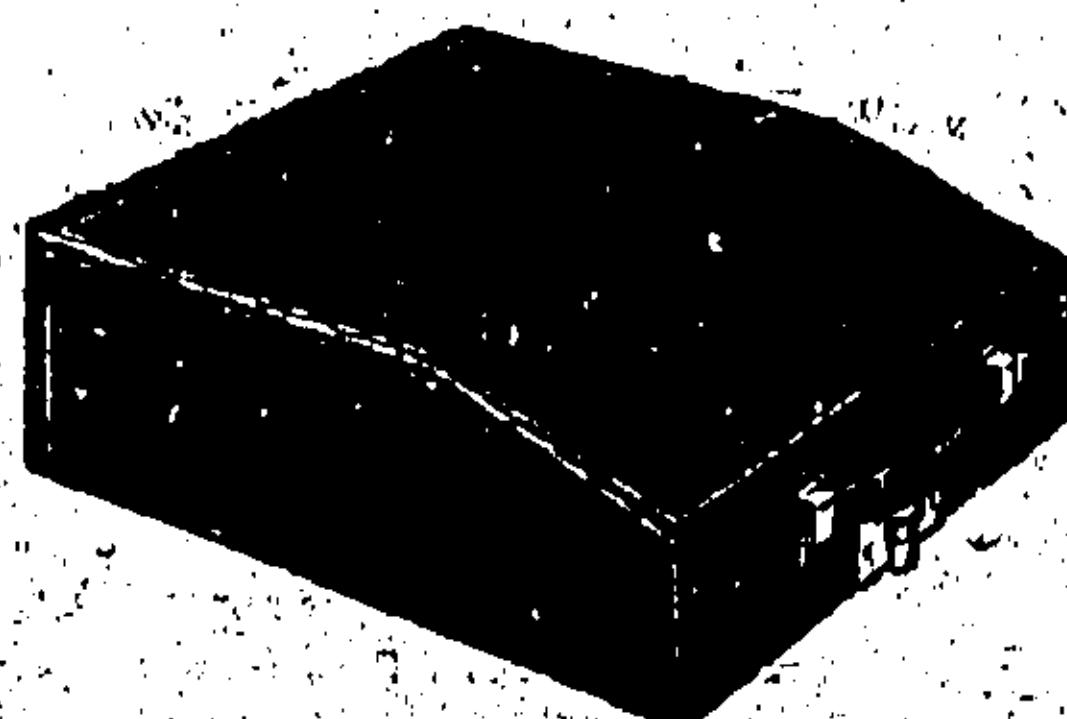

William Jennings Bryan has addressed many huge audiences, but none so large as to which he spoke from the radio station WPG in Atlantic City, during the course of a convention banquet.

MISCHA ELMAN & CURTIS D. WILBUR
Bellevue, N.Y. & MAYFIELD, N.Y. CO. & DR. COOK'S

In one of the most dramatic dog team races in all history, Leonard Seppala, famous Alaskan musher, bore into diphtheria-stricken Nome the precious package of antitoxin that was counted on to halt the plague. Mischa Elman, violin virtuoso of world-wide repute, has announced his engagement to Miss Helen Katten, whom he met four years ago on a steamer bound for Europe. America's Naval Secretary, Mr. Curtis D. Wilbur, declares future wars will be comparatively local affairs, and there is unlikely to be another world war. Arnold Rothstein, immensely rich sporting man, is reported to have reached France with \$200,000 to gamble against the Greek syndicate that controls the Riviera baccarat.
